*Bringing like-minded professionals together in the state of Maine to discuss information security tactics, techniques, and procedures to protect information systems and data.*

### Benefits of Becoming an (ISC)<sup>2</sup> Maine Chapter Member

Being a member of an (ISC)<sup>2</sup> Maine Chapter has its benefits. Not only will you gain a sense of fellowship with colleagues in your profession, you will also be able to network and exchange ideas with fellow information security professionals working in Maine.

Other opportunities consist of:

- Free regular chapter meetings;
- Networking opportunities through regular chapter meetings ;
- Earning CPEs by participating in professional activities;
- Presenting content to your professional peers or writing articles for publication;
- Participating in local community outreach projects (public service) to educate people about information security; and,
- Receiving special discounts on (ISC)<sup>2</sup> products and programs.
