

## 2017 MTUG Summit Parking Info

### HOLIDAY INN BY THE BAY – MTUG EVENT PARKING

**EVENT PARKING** (if this is full, see "Alternate Parking" below): *Special event parking is available for \$5.00 on a first-come, first-served basis – You must park next door, and get an MTUG discount ticket at MTUG Registration. Discount only applies if you LEAVE by 6:00pm (later this year due to 30<sup>th</sup> Anniversary Reception).*

**Event Attendees** (who are NOT also registered hotel overnight guests):

- Park in the Garage next door to the hotel (white fence) and receive the white parking stub.
- At the MTUG Registration Desk, get your MTUG discount ticket.
- When exiting the parking lot, insert the first parking stub ticket (white), then the MTUG discount validation ticket as a "chaser". You will then be prompted for \$5.00 payment.
- This discounted parking will ONLY be honored in the Holiday Inn By the Bay garage NEXT DOOR to the hotel on Spring Street. **DO NOT PARK UNDERNEATH THE HOTEL** or the hotel will charge you \$25. This discount CANNOT be used if your vehicle remains in the lot after 6pm (later this year due to 30<sup>th</sup> Anniversary Reception).

**Attendees who are ALSO Overnight Guests at the Holiday Inn by the Bay.**

- Registered overnight guests will be charged \$10.00 per night and will be posted to your room bill. These guests will be directed to park behind/under the hotel.

### **ALTERNATIVE PARKING**

If the designated event parking fills up (it has some years), please review the below suggestions for alternative lots in the area – the MTUG discount parking does NOT apply to these lots.

- **Spring Street Garage at 45 Spring Street** (southwest/next door to the Cross Insurance Arena). Across the street from the Holiday Inn by the Bay, further northeast of the hotel, toward the Old Port. City-run lot is \$1.75/hour, \$21 per day max.
- **Temple Street Garage at 11 Temple Street** (same building as Nickelodeon Cinema). The Temple Street Garage is 2 full blocks northeast of hotel, at the intersection of Spring and Temple Street (Temple goes to the left, Union St. to the right). The Cinema is at that corner, and the Parking Garage is next to it. Privately managed lot is \$4.50/hour, \$37 per day max.
- **Updated parking options may be found at the MTUG Summit website at <http://www.mtug.org/summit#Parking>, and at the City of Portland website here: <http://www.portlandmaine.gov/431/City-Owned-Garages>**
- **Online Tool** (MTUG does not endorse): <http://www.bestparking.com/portland-maine-parking/>

We hope these tips will help you find parking as easily as possible. Thank you!
